# WHAT'S NEXT: OUR FOCUS FOR JULY

## DO IT RIGHT

Ethics, Values & Workplace Culture Month

Rahul matched every vendor bill to its PO and approval before passing it.

✓ That's honest finance, the KRL way.

Pooja at Head Office verifies every OPEX purchase entry with supporting documentation-even if it's under ₹10,000.

✓ That's transparent purchasing.

Vijay settled a dispute when two colleagues were arguing.

✓ That's leading with respect-not just reacting.

Ramesh returned ₹40 he was given extra after picking up stationery.

✓ That's honesty in the smallest things.

**Policies don't build Culture. Practices Do.**  
This week, reflect. Next week, repeat.
