AUGUST 2026

Monthly Initiative Wrap-Up

CAMPAIGN HIGHLIGHTS & INSIDE THIS ISSUE

Throughout August, our teams across all branches came together with a shared focus on strengthening workplace safety. As part of **"Risk Assessment & Safe Working Practices Month,"** we emphasized the significance of identifying hazards, assessing risks, and building a stronger culture of safe working practices.

TOOL TAG DRIVE

During the Tool Tag Drive, teams across all branches checked the condition of equipment used in daily operations. The initiative went beyond a routine inspection: teams examined each item, tightened loose parts, lubricated components where required and rectified any defects. Each inspected item carried a tag displaying its name and inspection date for easy verification before use.

HIGHLIGHTS OF OPERATIONAL EXCELLENCE

Appreciation at Kalinganagar Pooling Pit

The Pooling Pit site at Kalinganagar welcomed IBMD Chief Mr. Adityanath Thakur, Head Mr. Ramesh Ku. Pandey, and the line manager for a site visit to review ongoing operations. The officials appreciated the team for the efficient processing of pooled iron and for completing the Pooling Pit handover ahead of the target date. Five excavator operators were presented with Best Reward Gift Cards in recognition of their excellent performance.

DO IT RIGHT PHOTO CHALLENGE

The “Do It Right” Photo Challenge gave teams across all our branches a fun and engaging way to showcase safety in action. Participants shared photographs featuring correct PPE use, good housekeeping, safe material handling, and LOTOTO, along with the activity name and location.
